YOUTH ORIENTATIONS
Orientations are available seven days a week, but sign-ups are required. Fill out a youth orientation form at the John H. Chafee Fitness Center. Children ages 10 to 14 years old* may use the fitness facility after receiving a youth orientation from a certified fitness specialist. The program is intended to introduce youths and their guardians on how to exercise in a safe and supervised environment. After completion of the program, the youth can use all authorized cardio and/or weight equipment with the supervision of a parent or legal guardian. Must register in person. *Refer to MWR Naval Station Newport Fitness Age Authorization Chart.

SPLASH PROGRAM
Through SPLASH, Navy Fitness strives to educate parents and youth on pool safety and the dangers associated with unsupervised swimming. With structured swim lessons, professional swim skills assessment, safe play, and active parental supervision, the risk of accidental drowning can be significantly reduced. For children to pass the swim test they must demonstrate the following: swim one length unassisted and without rest, using a recognizable swim stroke for the entire distance, tread water for a minimum of 60 seconds, jump into the deep end of the pool and return to the surface, and exit the pool unassisted. Swimmers who pass the swim test will receive a card to present to the lifeguards when swimming.

PARENT AND CHILD OPEN SWIM HOURS
Mondays & Wednesdays 9 to 10 a.m.
Open to children of all ages, must be accompanied by an adult. It’s a perfect opportunity to introduce your children to the pool in a safe, but fun manner. We encourage you to have fun, blow bubbles, and become comfortable getting your child’s face wet. Children must wear a swim diaper, if not toilet trained. A lifeguard will be present, as well as approved toys and life jackets.

TOUR DE CHAFEE RUN CLUB
Mondays at 6 p.m. through October
This club welcomes runners of all abilities, whether you are trying to build up for your first 5K or you’re looking to improve your personal record, this club is for you. The club will meet weekly at the John H. Chafee Fitness Center and explore scenic loops around Naval Station Newport. Each week will begin with a proper dynamic warm-up, conclude with a cool down and stretch, and will feature different workouts to build up your speed and endurance. The club is also a great way to prep for our signature Tour de Chafee 5K Fun Run Race Series which will include three fun runs and guest speakers who will be joining us on selected dates to educate and answer questions on topics like fueling before and after exercise, gait analysis, training methods and strategies for injury prevention.
