# AQUATIC RULES & REGULATIONS

1. Pool use is only permitted when a lifeguard is on duty. Lifeguard has full authority over pool rules.
2. You must shower before entering the pool, per Rhode Island State bathing code.
3. Proper swim wear is required. Undergarments, cut offs, or workout attire is not acceptable.
4. Anyone with a communicable disease, sore or inflamed eyes, a cold, diarrhea, nasal/ear discharge cannot enter the pool. You can also not enter the pool if you have had diarrhea or any other gastrointestinal (stomach) issues within the past seven days.
5. Anyone suspected of being under the influence of drugs or alcohol cannot enter the pool.
6. Glass bottles, food, and gum are **NOT** permitted on the pool deck.
7. No running. Any conduct which endangers the safety and comfort of others is prohibited.
8. Swim diapers are required for all children who are not toilet trained. Standard disposable diapers are strictly prohibited.
9. An adult (18+ years old) must be in the water and within arms length of children ages seven and younger at all times. Children ages eight and older must be supervised by an adult at all times.
10. Children under the age of 15 must be accompanied by and under the direct supervision of a parent or guardian, whose minimum age is 18 years old.
11. Children under the age of 17 must be able to pass a swim test in order to swim in the deep end. Completion of the test does not always equate to passing the test. Lifeguards reserve the right to deny anyone access to the deep end of the pool.
12. Children between the ages of 10-17, if left unattended, must demonstrate a swim test.
13. The swim test consists of a 25 meter swim followed by treading water for 60 seconds. After completing this, the swimmer must jump into the deep end, surface and exit the pool unassisted.
14. Only U.S. Coast Guard Type 1 and Type 2 personal flotation devices (PFDs) are permitted. Bubble suits, water wings, or any other inflatables are NOT permitted for use at any time.
15. There is absolutely no diving. No Exceptions.
16. Breath holding activities are prohibited.
17. No hanging or climbing on lane lines.
18. Use of equipment during open swim is available upon request of the lifeguard. Lifeguards reserve the right to remove equipment from the pool for any reason.
19. Masks/snorkels are not permitted during any time. Special consideration may be made for Active Duty personnel who present a note from either their commanding officer and/or their physician.
20. Hair longer than shoulder length must be pulled back or capped while swimming. Failure to comply will result in the refusal to gain entrance to the pool.

# CLASS DESCRIPTIONS

**ADULT LAP** - Swimming is a life skill as well as great exercise. Whether you're looking to get a few laps in, get a few miles in, or just looking to improve your swim golf score; adult lap swim is the perfect time to get a good workout in. With slow, medium, and fast lanes, we're sure you will get a wonderful workout in our pool. Must be 18 or older to participate.

**ADULT LEARN TO SWIM** - This is a free, month long class, space is limited to 12 participants. Registration takes place at the John H. Chafee Fitness Center front desk a week prior to the beginning of the session and sessions are in February, May, July & September only. Participants will learn the basics of all four strokes and will work on techniques. This program is geared towards those looking to learn the strokes and work on technique, not endurance. Drop ins not permitted, a new session will be held each month.

**PARENT & CHILD OPEN SWIM** - Open to those ages 6 months to 5 years old, it's a perfect opportunity to introduce your children to the pool in a safe, but fun manner. We encourage you to have fun, blow bubbles, and become comfortable getting your child's face wet. Children must wear a swim diaper, if not toilet trained. Parents are welcome! A lifeguard will be present, as well as approved toys and life jackets.

**WATER FITNESS** - This class incorporates a powerful mix of cardio and strength including HIIT and Tabata intervals while utilizing the resistive properties of the water. Some aquatic exercises are performed without equipment, and others with equipment to increase resistance, target specific muscle groups and improve your physical fitness.

**WATER WELLNESS** - Exercising in the water offers many physical and mental health benefits and is a good choice for people with/without injury. This is a self paced program, open for the following activities: walking/running in water, deep water exercises and more. **NO LAP SWIMMING DURING THIS TIME FRAME.**

**MASTER SWIM** - The Master Swim Team, Newport Lobsters Swim Club is an adult-oriented (18 years or older) swim program combining instruction with competitive training. Great for athletes, competitive swimmers, and fitness swimmers. All participants must be able to swim a 200 freestyle continuously and be able to swim freestyle, backstroke, and breast stroke. Coaches provide workouts for participants ranging from beginner, intermediate, and advanced. Fees: Active duty - free; reservists, retirees, and dependents - \$2 per session or \$50 for a punch card; DoD civilian - \$3 per session or \$75 for a punch card; Guest fees will apply to those without base access in addition to the DoD civilian's fee. Swimmers may sign up for USMS membership to be eligible to compete at USMS sanctioned swim meets.
